

## FORD TRANSIT CONNECT

Transit Connect is a ruggedly built truck, certified to Ford Light Commercial Vehicle Durability Standards.

Did you know...even though Transit Connect has only recently been added to the North American market, it has been available in Europe for several years? There are literally thousands of ErgoRacks™ in service on Transit Connect's in Europe.

**VCR-TC11-3**

Rack + shown ladders combined weight is approximately 165 lbs.

Carry ladders up to 28 feet.

Feet stay safely on the ground.

Reduce back and muscle strain from improper loading.

Hydraulic cylinder provides smoothest, controlled descent of any rack in the industry.

Greatest ladder carrying capacity for Ford Transit Connect.

Maintain vehicle warranty and resale value with no holes to drill.

Improve productivity – deploy and stow in less than 20 seconds.

Winner of ergonomic awards in USA, France, Germany and Australia.
